QUALITY AND ENVIRONMENTAL POLICY

The management is committed to achieving the highest standards of group excellence, in accordance with the principles set forth in this company policy, through the application and maintenance of a Quality Management System, in compliance with ISO 9001:2015, and an Environmental Management System, in accordance with standard ISO 14001:2015.

In particular, SISGEN SRL intends:

- to carry out its works according to the needs of its customers and to deliver the works on time and free from defects, to ensure complete customer satisfaction on each occasion.
- to ensure maintenance of the vital the interests of the company to operate profitably, such that it holds a market position that will guarantee the long term continuation of the business as a going concern while continuing to improve its performance, including through establishing the objectives of its resources and its processes for improvement.
- to ensure it strictly adheres to the rules and regulations applicable in its services and construction site work, with particular regard to their impact on the environment and health and safety at the workplace, while monitoring all changes and developments in the regulatory environment.
- to assess, monitor and reduce the impact on the environment of any services the company performs, with special regard to the performance of activities in protected marine areas, in geographical areas classified as being of "high intrinsic value" and/or inhabited by protected species, while implementing suitable preventive measures to contain and minimise the impact on the environment, including any impact resulting from potential environmental emergencies.
- to promote, in the carrying out of any of its services, the use of innovative products and methods with lowest environmental impact, where economically sustainable, in order to pursue continuous improvement in its environmental performance.
- to raise awareness among its employees and suppliers and ensure that they too operate in accordance with this policy.
